

# FOOTGOLF

## What is FootGolf?

FootGolf is a new hybrid sport that combines both soccer and golf. It is played by kicking a soccer ball on a golf course with the objective of getting the ball into an oversized hole in the fewest amount of kicks.

## Why Play FootGolf?

There is no experience or training necessary before playing and it's fun for the whole family. The objective is to kick the ball, get some exercise and enjoy the chance to compete against the other players in your group. Players should complete the 18-hole course in about 2 hours. The cost for FootGolf at The Trout Club is very affordable--only \$12 to walk 18 holes or \$20 to ride for 18 holes.

Our staff recommends walking the course, not only because of the health benefits, but because the game flows better for all players if each is going directly to their ball.

## When You Can Play?

You can book a tee time anytime Monday-Sunday. Players are encouraged to make a tee time online or call the Pro Shop at 740-366-2770 for availability just as golfers make tee times. This allows golfers and footgolfers to play simultaneously throughout each day.

## Do I Need a Soccer Ball to Play?

Footgolfers can bring their own balls or be supplied a ball from the Pro Shop for a small rental fee of \$3.

## I Have Never Played Golf, What Do You Do Once You Get to the Golf Course?

Players will check in at the Pro Shop counter. Our professional staff will greet all players, provide a brief orientation and serve as an escort to the first hole.

**(740) 366-2770**

2250 Horns Hill Rd  
Newark, OH 43055
